ENVIRONMENTAL INDUSTRIES COMMISSION

Unlocking the Green Economy...

- Using the framework of the Environment Act to shape an impactful stakeholder engagement strategy.
- Supporting Government to realise society's ambitions for the environment.
- Helping members to seize the new opportunities created by the Act.
- Determining the policy asks for today which will create the business opportunities for tomorrow.

EIC Advisory Board

Environment Act - Annual theme forms the basis of EIC activity.

Key chapters relevant to the work of EIC members.

Waste

Air Quality

Water

Nature and Biodiversity

Official UK Government lead for each chapter.
EIC would seek to formally work with relevant taskforce on implementation of chapter areas.

UK Government

UK Government

UK Government

UK Government
